

Workshop on Current and Future Challenges in Landslide Research and Disaster Risk Reduction in Colombia and Germany

20-21 November 2023

Technische Universität Berlin, Germany

Sponsored by:

Organized by:

Scope:

Dear colleagues,

Currently, the German Federal Ministry of Education and Research (BMBF) and the Colombian Ministry of Science, Technology and Innovation (MINCIENCIAS) are supporting a project between Universidad Nacional de Colombia (UNAL) and the Technische Universität of Berlin (TUB) related to landslide hazard assessment in the Colombian Andes.

In the framework of this project, we are pleased to invite you to our workshop on **“Current and future challenges in landslide research and disaster risk reduction (DRR) in Colombia and Germany”**, which will be held in Berlin on 20 and 21 November 2023. In this workshop, we first want to take a look at the status quo of landslide research and landslide DRR in Colombia and Germany. Then, we would like to discuss ideas for future research and possibilities for joint research proposals, together with scientists and stakeholders from different organizations in Colombia and Germany.

Could you kindly let us know via e-mail by 30 September if you want to participate? Please also indicate if you want to give a talk on November 20 or are interested in taking part in the ideation workshop on November 21.

We hope to see you in Berlin in November,
Edier Aristizabal (UNAL) and Anika Braun (TUB)

For registration and any further inquiries please send an e-mail to anika.braun@tu-berlin.de

Preliminary agenda:

Monday 20 November 2023

09:00 – 13:00	Technical sessions – landslide research and DRR in Colombia and Germany (hybrid)
13:00 – 14:00	Lunch break
14:00 – 16:00 (8 – 10 am in Colombia)	Information event on funding opportunities for Colombian – German research cooperation (hybrid)
16:00 – 18:00	Further technical session or discussions (hybrid)
19:00	Dinner

Tuesday 21 November 2023

09:00 – 13:00	Ideation workshop for future research cooperation (on-site, limited to 20 persons)
13:00 – 14:00	Lunch break
14:00 – 15:00 (8 – 9 am in Colombia)	Wrap-up, presentation of results and final discussions (hybrid)

All times are in Central European Time unless stated otherwise.
